RESPONSE AFTER FINAL

In response to the final Office Action, mail dated January 29, 2003 (Paper No. 13), applicant respectfully requests reconsideration of the rejection of record in view of applicant's remarks below.

REMARKS

**Remarks Regarding Obviousness-Type Double Patenting**

In the Office Action, it is alleged that the double-patenting rejection as applied against the presently pending claims, including all newly added claims, was not overcome since applicant has not filed a terminal disclaimer. Although applicant respectfully traverses this rejection, enclosed herewith is an appropriate Terminal Disclaimer. Thus, this rejection is moot and applicant respectfully requests that it be withdrawn.
